

# FOREST FIRES ARE DRONE FREE ZONES

**DO NOT** fly drones within 9 kilometres of a forest fire area.

You can put the safety and lives of pilots, firefighters and emergency workers at risk. It's dangerous and illegal. Stay clear of forest fires!

See all active Ontario forest fires at [ontario.ca/forestfire](https://ontario.ca/forestfire), or learn more about us at [ontario.ca/AFFES](https://ontario.ca/AFFES).
